**PREAMBLE TO THE CONSTITUTION OF THE  
AMERICAN LEGION AUXILIARY**

For God and Country, we associate ourselves together for the following purposes: To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate a one hundred per cent Americanism; to preserve the memories and incidents of our association during the Great War; to inculcate a sense of individual obligation to the community, state and nation; to combat the autoeracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safe-guard and transmit to posterity the principles of Justice, Freedom and Democracy; to participate in and contribute to the accomplishment of the aims and purposes of The American Legion; to consecrate and sanctify our association by our devotion to mutual helpfulness.
