A Time of Thanksgiving

The library gives thanks for the re-formation of the Friends of the Library group. It took much effort by one determined woman, with the help of her friends, to get the group reestablished. Thank you Dot Gooby! And thank you to all who joined and volunteered.

We give thanks to the staff of the library.

Lane Memorial Library has the most congenial staff who help the patrons of the library find just what they want, whether it's

the answer to a homework question, the title to the new book mentioned on "Good Morning America" that day, or advice on what to read next. Thank you Alice, Barbara, Bill, Cindy, Elli, Linda, Jean, Jeanne, Joanne, Mary, Sandra, Shelby, and Stan!

We also thank the substitutes who fill in when a crisis crops up or the flu takes over! Thank you Bonnie, Gene, Janet, Mary Jo, and Peter for being on call and willing to come at a moments notice and for ably serving the residents of Hampton.

Last, but not least, a huge thank you to all of Hampton's veterans who have ensured that we live in peace and free from fear. In uncertain times, it is gratifying that there are still those willing to serve, protect, and defend.
